Lace your Curly Laces just once; you never have to tie them. Curly Laces won't come untied and drag along the ground because the excess lace coils up. Our regular laces extend to 42 inches, boot length laces to 72 inches. Since they don't need to be tied your laces don't need to be as long as before.

Our return policy gives you free returns so if the laces don't fit your shoes you get your money back.

Curly Laces are sold in flea markets, kiosks, fairs, school and church bazaars, shoe stores, clothing stores, doctor's offices and physical therapy clinics, medical supply stores boutiques, parades, sports events and fundraisers. Use them as party favors!

Benefits of Curly Laces

Curly laces were originally developed for Tri-athletes. They are great for kids who keep kicking their shoes off or have trouble tying shoes. People suffering from arthritis, spinal injury, back trouble and other conditions can really benefit from Curly Laces. These coiled elastic laces turn regular tie shoes into slip-on shoes.

Other Uses for Curly Laces

Bird and Cat Toys
Computer Cable Ties
Elastic straps for Visor and many more!
